MESSAGE OF CONGRATULATIONS TO
EURASIAN PATENT ORGANIZATION
ON THE OCCASION OF
ITS 20TH ANNIVERSARY

« My Organization, the African Intellectual Property Organization (OAPI) follows with particular interest Eurasian Patent organization's concerted efforts in order to promote intellectual property protection. Since its creation, The Eurasian Patent Organization has made efforts in establishing structures and strategies necessary for the development of Patent law and practice worldwide. Today, these main objectives and others have been achieved. The effects of these efforts are seen and appreciated within EAPO as well as within the large Intellectual Property family worldwide.

On this 20th anniversary and on behalf of OAPI, I would like to reiterate my thanks to EAPO and also congratulate you for the excellent cooperation ties which exist between our two Institutions.

I would like to warmly thank EAPO for her efforts which resulted to success.

I equally address my warmest congratulatory messages to all its member States and managing staff whom as a result of their know-how, their complete devotedness and their perseverance, have contributed to its success.

I also express my best success wishes in the smooth functioning of your Organization and would like to cease this opportunity to wish you success in the celebration of the 20th anniversary of OEPO. »
